REWARD YOURSELF ...

BASE PAYOUTS

The Nexen Next Level Associate Dealer Program makes it easy for dealers to earn rewards when buying Nexen branded tires. Instead of multi-tiered programs where volume forecasts or commitments are required to earn at higher tiers, the Next Level Program pays out every dealer the same base cash back.*

QUARTERLY VOLUME BONUS

This is where the dollars really start to add up. The more tires that are purchased, the larger the rewards are back to the dealer. If a dealer qualifies for the Next Level base payout by purchasing 100 units per quarter, then they automatically receive the first tier of volume bonus as well. As the volume purchased gets larger, so do the bonus amounts. Every single qualified Nexen tire purchased receives the following bonus paid at the end of each quarter:

	TIER 1	TIER 2	TIER 3	TIER 4	TIER 5
QUARTERLY UNIT QUALIFIER	100 – 199	200 – 349	350 – 499	500 – 749	750+
PER UNIT	\$1	\$2	\$3	\$4	\$5
ANNUAL TRUE UP UNIT QUALIFIER	400 – 799	800 – 1,399	1,400 – 1,999	2,000 – 2,999	3,000+

*100 units must be purchased in same quarter to qualify for Next Level base payout.

QUARTERLY VOLUME BONUS

It's simple! The more you sell the more bonus cash you earn. Nexen Tire pays out bonus cash on top of standard Next Level Program payouts for each tire. Bonus cash is determined by your volume bonus tier per quarter with the maximum bonus payouts reaching \$5 (per tire). Refer to your Quarterly Volume Bonus chart to see your active tier, payout bonus totals, and the sales requirements to reach the next tier.

NEXT LEVEL PROGRAM PAYOUTS

Want to know how much money Nexen Tire is sending you? We got you covered... Nexen Tire tracks standard tire payouts and quarterly volume bonuses, combining them for your total Next Level Program payouts. See what you are earning per quarter and watch the cash pile up:

ONE	\$2,972	0	\$0
TWO	\$2,430	0	\$0
