NEXEN

"As a company that has the ability to impress customers with the best quality, we will become something that you can have utmost pride in. We will emerge as the NEXEN TIRE that makes you elated with new products and breakthroughs in technology development. We will move forward to becoming a global leader, looking ahead to the next century. And beyond history, and beyond passion, in the name of trust, we will stand by you as you advance into the future."

Travis Kang – CEO, Nexen Tire

NO USA RECALLS EVER.

BEST QUALITY ASSURANCE IN THE BUSINESS.

Since 2000, Nexen Tire has produced over

550,000,000

(over 1/2 billion) tires with absolutely ZERO recalls in the USA.

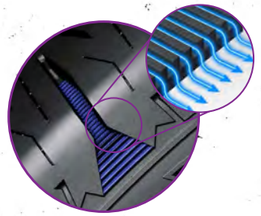

ALL PERFORMANCE
IN ALL WEATHER

ROADIAN HTX2

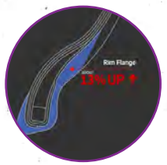

HIGHWAY TERRAIN

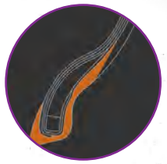

LONG MILEAGE PERFORMANCE DESIGNED INTO EVERY FEATURE.

HIGH-SPEED CONTROL
Cooling pins applied to shoulder of the tire to efficiently dissipate heat for increased durability under high speeds.

New Roadian HTX2

Conventional

INCREDIBLE DURABILITY
Nexen's proven bead design and construction consists of an optimized Profile Bead Filler and Stiffer Rim Flange for increased overall rigidity and tire durability.

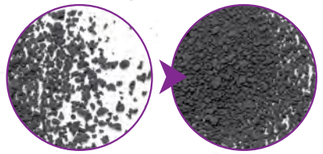

REINFORCED SNOW TRACTION
Emerging 3D Sipes improve traction in snowy conditions. Changing Sipe technology as tire wears provides increased tread contact and overall handling characteristics.

3PMSF Certified
3PMSF Certified is a severe winter certification to withstand heavy snow, ice, and tough terrain.
(except OE tires)

THEY LOOK AS GOOD AS THEY PERFORM.
The Roadian HTX2 is available in 2 Sidewall Design options to complement your vehicle and White Lettering in limited sizes.

THIS IS WHAT IT TAKES TO PERFORM AT A HIGHER LEVEL.

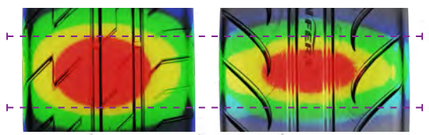

FASTER ALL-AROUND PERFORMANCE
Formulated for faster warmup with Fine Grade and High-Carbon Black composition and Higher Filler Loading.

IMPROVED GRIP, GREATER CONTROL
Larger contact area for increased surface grip. Up by 4%.

N'Fera Sport R *N'Fera SUR4G*

THE LAPS DON'T LIE
We took the N'Fera Sport R to where it matters most — the track — and tested it against the SUR4G. The results speak for themselves.

THE NEXT EVOLUTION IN EXTREME PERFORMANCE

N'FERA Sport R

EXTREME ULTRA HIGH PERFORMANCE

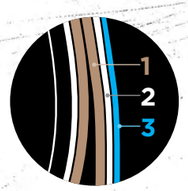

PUSHING ALL-TERRAIN PERFORMANCE

TO A NEW LEVEL

ROADIAN ATX

ALL TERRAIN

REINFORCED 3-PLY CONSTRUCTION

Nexen's 3-ply sidewall produces an industry-best AT tire with longer life and increased durability that performs under heavier loads and higher pressures. The increased sidewall rigidity enhances stability while cornering under loads and heavy towing.

ENHANCED DURABILITY AND PERFORMANCE

The sidewall design increases puncture resistance both on road and off. Durability is also improved thanks to an aggressive angled pattern.

REINFORCED SNOW TRACTION

Emerging 3D sipes improve traction in snow, mud, and wet conditions. Nexen's changing sipe technology increases tread-to-road contact and overall handling characteristics as the tire wears.

3PMSF Certified

as a severe winter certification to withstand heavy snow, ice, and tough terrain.

(Except OE & flotation sizes)

PICK THE SIDEWALL THAT FITS YOU BEST.

The Roadian ATX is available in two dynamic sidewall design options to compliment your vehicle and attitude. The dual sidewall design is more aggressive than the AT Pro predecessor without sacrificing a quiet ride.

ULTRA HIGH PERFORMANCE

The N'Fera SU1 has three main grooves and a semi-groove to maximize wet driving performance and enhance handling. The dry grip technology boosts handling and braking performance, while an optimum surface split siping design improves wet/dry traction performance. An equally balanced design and enhanced block rigidity disperse stress evenly during high-speed cornering, boosting cornering and steering stability.

N5000 Platinum

TOTAL COVERAGE WARRANTY
NEXEN TIRE

GRAND TOURING ALL SEASON

Enjoy a smooth ride, all year long. The upgraded Nexen N5000 Platinum combines the look of a performance tire with the comfortable, quiet ride of a passenger tire. Branded with the M+S symbol, this tire provides year-round traction, even in light snow. And with its long tread life, the Nexen N5000 Platinum can handle some serious mileage. Try the tire that looks great and performs even better.

TREAD WEAR WARRANTY
70K MILES (H,V Rated)

Technical data can be changed without further notice.

N'Priz AH8

TOTAL COVERAGE WARRANTY
NEXEN TIRE

GRAND TOURING ALL SEASON

The N'Priz AH8 is designed for family sedans that require all-year traction in dry, wet, and light snow conditions. Performance in light snow conditions is superior to its predecessor, the CP672.

TREAD WEAR WARRANTY
70,000 MILES

ROAD HAZARD WARRANTY
FIRST 3/32" OR 2 YEARS

ROADSIDE ASSISTANCE
36 MONTHS

FREE TRIAL
45 DAYS OR 500 MILES

OE FITMENT ON

HYUNDAI · KIA · RAM · VW

Aria AH7

TOTAL COVERAGE WARRANTY

PREMIUM STANDARD TOURING ALL SEASON

The Aria AH7 includes a four-groove design, which leverages optimal driving performance on wet roads in all four seasons. This tire has a uniformly designed center, which evenly distributes external pressure when contacting the road surface and prevents one-sided wear. The five random pitch variation design reduces pattern noise, and the increased block stiffness and uniform block distribution deliver maximum grip during high-speed cornering.

TREAD WEAR WARRANTY
80,000 MILES

ROAD HAZARD WARRANTY
FIRST 3/32" OR 2 YEARS

ROADSIDE ASSISTANCE
36 MONTHS

FREE TRIAL
45 DAYS OR 500 MILES

NEXEN TIRE
we got you

TIRE SPONSOR OF THE CHICAGO BLACKHAWKS SINCE 2022

"We are thrilled at the opportunity to expand our local market presence through a partnership with the Chicago Blackhawks. Like the Blackhawks, we are very proud of our history and what our brand brings to their organization. We both strive for excellence in everything we do, and Nexen Tire stands ready to share its story with this incredible fanbase throughout the season."

- Brian YoonSeok Han, CEO of Nexen Tire America, Inc.

ROADIAN HP

TOTAL COVERAGE WARRANTY
NEXEN TIRE

STREET SPORT TRUCK ALL SEASON

The Roadian HP includes a V-shaped directional pattern design, which provides high-performance grip on any road surface. This tire also features a five random pitch variation design that reduces pattern noise, and wide and deep directional grooves to provide excellent drainage and braking performance, while the large shoulder blocks maximize cornering grip.

NEXEN TIRE

CUV/SUV TOURING

The Roadian GTX delivers on every count. Crossovers and SUVs are more popular than ever, and their segment of the market is only increasing. Drivers count on their versatility and dependability, from cross-country road trips to trips to the store. They need a tire with a long tread life, all-season traction, the best mileage, and a comfortable ride. The Nexen Roadian GTX touring tire meets these needs and exceeds expectations.

ROADIAN HTX 2

TOTAL COVERAGE WARRANTY
NEXEN TIRE

HIGHWAY TERRAIN

Designed for the long-inspired journey to create a high-mileage SUV and Light Truck tire that also delivers outstanding all-weather driving performance. Designed, engineered, and constructed with technical features only found in the Roadian HTX2, compromise is no longer a part of your tire buying equation.

TREAD WEAR WARRANTY
70K MILES (P)
50K MILES (LT)

ROAD HAZARD WARRANTY
FIRST 3/32" OR 2 YEARS

ROADSIDE ASSISTANCE
36 MONTHS

FREE TRIAL
45 DAYS OR 500 MILES

No Road Hazard & Mileage Warranty on commercial delivery van sizes (LT225/75R16 & 235/65R16C). Warranty limited to manufacture defects only.

NEXEN TIRE
we got you

OFFICIAL TIRE OF THE ANAHEIM DUCKS SINCE 2021

"Nexen Tire is extremely excited to be a part of a championship NHL franchise like the Anaheim Ducks and their premier arena, the Honda Center... This partnership will help to elevate the Nexen Tire brand among more than a million NHL fans across Southern California, and when these fans enter the Honda Center arena during a Ducks game or other premier events, they'll know Nexen Tire has their back."

- Brian YoonSeok Han, CEO of Nexen Tire America, Inc.

DUAL SIDEWALL OPTIONS

ROADIAN MTX

TOTAL COVERAGE WARRANTY
NEXEN TIRE

MUD TERRAIN

The Roadian MTX features an aggressive design that is extremely versatile for on- and off-road driving. Each tire boasts a dual sidewall design that allows you to customize the look of the tire on your vehicle. The Roadian MTX also features a standard 3-ply design and F-Load weight rating that makes it extremely capable for heavy hauling. With such rugged traits, you wouldn't expect the Roadian MTX to be as quiet as it is on the highway, but thanks to its patented tread block design, the road noise has been minimized.

ROADIAN MT

TOTAL COVERAGE WARRANTY
NEXEN TIRE

MUD TERRAIN

The Roadian MT incorporates a zig-zag shoulder block design to provide outstanding traction for off-road and wet conditions, and a deep-groove design, which offers enhanced traction in deep mud and gravel. The shoulder-protector design maximizes load and durability, while optimized wide grooves provide excellent water drainage and anti-hydroplaning performance.

NEXEN TIRE

PERFORMANCE STUDLESS WINTER

The Winguard Sport 2 raises winter driving and high-grip performance to the next level. Its high-density multi-sipe elevates grip for braking on icy and snowy roads, simultaneously increasing longevity. Snowy or dry traction and cornering are improved with the directional tread. Large, wide grooves effectively drain water for anti-hydroplaning performance.

WINGUARD winSpike 3

TOTAL COVERAGE WARRANTY
NEXEN TIRE

STUDDABLE WINTER

The Winguard Winspike 3 tires are molded to allow for stud installation that provides better traction on ice and snow. It was developed for the drivers of sedans, crossovers, and SUVs looking for sure-footed performance and traditional wintertime traction on dry, wet, and snow-covered roads.

NEXEN TOTAL COVERAGE WARRANTY

1. ABOUT NEXEN TOTAL COVERAGE WARRANTY

This limited warranty only applies to the original purchaser of new replacement tires sold by NEXEN TIRE USA (as below NEXEN TIRE), and tires must have been used on the same vehicle that they were originally installed on.

This warranty applies to tires purchased after January 1, 2023. Tires purchased before January 1, 2023 are subject to the previous published warranty.

The NEXEN Total Coverage Warranty offers the consumer the following benefits:

- Coverage for Defects in Workmanship and Materials
- Mileage Tread Wear Limited Warranty*
- Road Hazard Replacement Program*
- Roadside Assistance – Flat Tire Change or Tow Service
- 45-day Satisfaction Guarantee Trial Warranty

*Most, but not all, NEXEN TIRE patterns come with a Mileage Tread Wear Warranty and/or Road Hazard Replacement. Check each pattern for coverage.

For purposes of this warranty, the term “usable tread life” will be determined as having at least 2/32″ (1.6mm) of tread remaining evenly across the tire. If less than 2/32″ (1.6mm) of tread remains at any point on the face of the tire, the tire will be considered past its usable tread life and subject to any and all conditions stated below.

Warranty program NOT APPLICABLE to other U.S. territories. (Guam, Northern Marianas Islands, American Samoa, Puerto Rico, and U.S. Virgin Islands

2. WORKMANSHIP AND MATERIALS

All NEXEN tires are warranted against defects in workmanship and material and will be replaced 100% free of charge for the initial warranty period, which is the first 2/32″ (1.6mm) of original usable tread life, or within 12 months from the period of purchase, whichever comes first.

After the 100% replacement term expires and the tire is still within 72 months from date of manufacture, the amount of credit will be determined by the percentage of original tread depth remaining on the tire. Under all circumstances, the cost of mounting, balancing, and any other service charges, including applicable taxes, are required to be paid by the consumer.

3. MILEAGE TREAD WEAR LIMITED WARRANTY

Designated patterns manufactured by NEXEN TIRE are assigned a mileage warranty that protects the consumer against premature tread wear. If a tire reaches the end of its “usable tread life” before the stated mileage warranty, the consumer will be issued a replacement NEXEN tire on a pro-rated basis, which means the consumer will be responsible for a percentage of the replacement cost. In order to maintain the tread wear warranty, all tires must be rotated at least every 5,000–6,000 miles (8,000–10,000 km). Under all circumstances, the cost of mounting, balancing, and any other service charges, including applicable taxes, are required to be paid by the consumer.

4. WHAT IS NOT COVERED UNDER THIS LIMITED WARRANTY

This warranty does not cover tires damaged due to misuse, abuse, or accident such as:

- Ride complaints after the first 2/32″ of tread wear or replacement of three (3) or more tires from the same vehicle will not be accepted.
- Road hazard damage such as cuts, snags, punctures or tire repair, bruises, impact breaks, etc. (Check Road Hazard Replacement Program for patterns that are covered against this type of damage.)
- Premature or irregular wear (a measured tread difference of 2/32″ [1.6mm] or more across the tread on the same tire) due to vehicle mechanical deficiencies or failure to rotate the tires at recommended intervals.
- Tires on any vehicle registered and normally operated outside the United States.
- Damage from incorrect mounting or dismounting of the tire, incorrect application, water or other material trapped inside the tire during mounting, or failure to balance the tires.
- Damage from over/under inflation, overload, or defective vehicle mechanical conditions.
- Tires with a lower load index and/or speed rating than that of the OE tire.
- Racing, off-road use, and misapplication of tire to vehicle.
- Ozone or weather cracking on tires after 48 months from the date of manufacture.
- Minor cosmetic ozone or weather cracking.
- Any tires worn beyond the wear indicators (Less than 2/32″ remaining tread depth).
- Flat spotting caused by improper storage or brake lock.
- Accident, fire, chemical corrosion, tire alteration, willful abuse, or vandalism.
- Tires in which D.O.T. identification number and/or barcode on bead and/or brand name removed intentionally.
- Loss of time or use, inconvenience, or any incidental or consequential damage.
- Original equipment tires on new vehicle. (See separate warranty, if applicable, in your vehicle’s glove box.)
- Tires purchased as used.
- Tires that have been recapped, retreaded, or regrooved.
- Use of tire chains.
- Tires used on recreational vehicles (for camping and motor homes, etc.) or in commercial service (i.e., tires used for taxi service, delivery, ride-sharing vehicles, etc.).
- Tires stored improperly.

NEXEN TOTAL COVERAGE WARRANTY

5. OTHER LIMITATIONS INCLUDE, BUT ARE NOT LIMITED, TO THE FOLLOWING:

- Failure to rotate tires as recommended voids the tread wear warranty.
- If tires are different sizes on front and rear of vehicle and therefore can't be rotated, the mileage warranty for the rear tires will be half of the stated mileage warranty.
- Winter tires must be used only in winter months, which are determined to be September 1st through April 30th of the following year. Documentation is required showing date of installation and removal to maintain tread wear warranty.

6. ROAD HAZARD REPLACEMENT PROGRAM

Most patterns sold by NEXEN TIRE are covered by a road hazard warranty that protects the consumer against non-repairable damage caused by puncture, snag, cut, bruise, or impact break. Typical road hazards are nails, glass, potholes, and other debris. Covered tires will be eligible for a free replacement for the first 3/32" of original tread depth, or for a period of two years from the date of purchase, whichever comes first. If the D.O.T. identification number on the tire is greater than two years from the adjustment date, an invoice showing date of purchase is necessary. The cost of mounting, balancing, and any other service charges, including applicable taxes, are required to be paid by the consumer.

7. WHAT IS NOT COVERED UNDER ROAD HAZARD REPLACEMENT PROGRAM

- A tire that is damaged due to vandalism.
- A tire that is damaged due to an accident.
- A tire that is repairable under U.S. Tire Manufacturers Association (USTMA).
- A tire that has failed due to commercial use.
- A tire that is damaged or failed due to racing or off-road use.
- A tire that is damaged due to use of snow chains or studs.
- A tire that is damaged or failed due to irregular wear caused by mechanical issues.
- Original equipment tires on new vehicle.
- Tires transferred from the vehicle that they were originally installed on.

8. 45-DAY SATISFACTION GUARANTEE TRIAL WARRANTY

If you're not completely satisfied for any reason, other than the conditions that are listed in the "WHAT IS NOT COVERED" section with your eligible tires, simply return them with the proof of purchase to the dealer where they were purchased within 45 days or 500 miles, whichever comes first, for a new complete set of NEXEN brand replacements only.

Limitations and Requirements

- This trial warranty only applies to the original purchaser and is non-transferable.
- Any return of less than a full set of tires will not be accepted.
- Proof of purchase must be provided for both the original set and replacement set.
- Tires must be returned undamaged. Tires exhibiting misuse, road hazard, mounting damage, vehicle mechanical-related problems, repairs, improper inflation, vandalism, run flat, and/or any racing activity wear are excluded from this trial warranty.
- Original purchaser pays the amount due on a new replacement tire, less the amount of credit, including applicable taxes, mounting and balancing charges and/or the cost of other services ordered.
- Replacement tire must be installed on original purchase vehicle.
- Replacement must be done at original place of purchase.
- Only original purchase is covered by 45-day Satisfaction Guarantee Trial Warranty.
- Replacement set is not covered by 45-day Satisfaction Guarantee Trial Warranty.
- Tires measuring more than 1/32" of tread wear from original tread depth are excluded from trial warranty.

9. CONSUMER'S OBLIGATION WHEN FILING CLAIM

To maintain Mileage Tread Wear Warranty and Road Hazard Replacement Program, the consumer is responsible for the following:

- Any claims must be presented to a participating authorized NEXEN TIRE dealer.
- Submit or present a copy of the original purchase receipt with documented automobile mileage at time of tire installation and of tire dismounting.
- Submit a tire rotation record showing that all tires have been rotated at least every 5,000–6,000 miles (8,000–10,000 km). Tire rotation record is not necessary for road hazard claims when tire is within 2/32" difference of remaining tread depth as measured from shoulder to shoulder on the claim tire and compared to the remaining tread depth of the opposite front/rear or left/right tire.
- NEXEN TIRE Claim Adjustment forms are provided by the dealer. Keep a copy for your records and leave the tire with the dealer for warranty processing.

10. TIRES PURCHASED FROM UNAUTHORIZED DEALERS

IT IS IMPORTANT TO PURCHASE OUR TIRES FROM AUTHORIZED DEALERS ONLY.

Tires imported by NEXEN TIRE AMERICA INC. are suitable for the U.S. conditions whereas tires not imported by NEXEN TIRE AMERICA INC. may meet an alternative specification that is less suitable for the U.S. conditions. In addition, unauthorized importers or dealers may provide tires that are several months or years older by the time they arrived in the U.S., or they may have been stored in improper or unfavorable conditions.

Taking them into consideration, in order to provide the best quality of our tires and services, we need to ensure that tires are purchased from an authorized dealer and imported by NEXEN TIRE AMERICA INC. Tires purchased from an unauthorized dealer or not imported by NEXEN TIRE AMERICA INC. ARE NOT COVERED by this warranty. If a tire purchased from an unauthorized dealer or not imported by NEXEN TIRE AMERICA INC. fails or is defective, all claims relating to that tire should be directed to the dealer or importer and not to NEXEN TIRE AMERICA INC.

Please note that sellers on Amazon.com, eBay.com, Craigslist, or similar online markets are not authorized dealers of NEXEN branded tires. When purchasing on these online markets, it is fully your responsibility as a customer to ensure that sellers are authorized by NEXEN TIRE AMERICA INC. The following businesses have been identified as unauthorized by NEXEN TIRE AMERICA INC. to sell NEXEN branded tires in the U.S. The list is subject to change/update.

- TGI (TIRE GROUP INTERNATIONAL)
- TIREMAX INTERNATIONAL
- PARTSMAX

If you are concerned about whether sellers are authorized by us, please contact us at 1-800-57-NEXEN (63936), and we can verify whether the seller is authorized or tires are imported by NEXEN TIRE AMERICA INC.

11. ROADSIDE ASSISTANCE

All patterns sold after January 1, 2023, by NEXEN TIRE in the United States and Canada are eligible for free 24/7/365 Roadside Assistance for a period of 36 months from the purchase date. Upon purchasing NEXEN tires, the consumer will have access to a toll-free phone number to call in case of a flat tire. A qualified professional will change your flat tire with your spare tire free of charge. If a working spare is not available, towing will be provided free of charge to the nearest NEXEN TIRE dealer or safe and secure location. Activation is required before Roadside Assistance service can be utilized.

NEXEN TIRE reserves the right to change the terms and conditions of all warranties at any time.

NEXEN TOTAL COVERAGE WARRANTY

12. TIRE CARE AND MAINTENANCE GUIDE

Tire failure can result in serious damage and/or personal injury. To reduce the risk of tire failure, we recommend the following:

- Maintain proper inflation pressure, and do not use at under-inflation or over-inflation. Pressure should be set at the level recommended by vehicle manufacturer.
- Wheel alignment and balancing should be checked at regular intervals.
- Do not overload. The maximum load-carrying capacity is molded on the sidewall of the tire.
- Do not spin your tires excessively, and avoid driving over curbs, potholes, obstacles, and edges of pavement.
- Never drive on smooth (bald) tires. By law, tires must be replaced when 2/32" of tread depth remains, as indicated by tread wear indicator molded in the tread grooves.
- Check your tires frequently for any scrapes, cuts, foreign objects, separations, or bulges. If damage is found, do not attempt to dismount the tire yourself. Change damaged tire with the spare, and contact your local authorized NEXEN TIRE dealer immediately.
- Do not drive in excess of speed limits allowed by law or the maximum speed justified by driving conditions.
- To achieve proper even wear and gain maximum tread life, tire rotation at regular intervals is required.

Please be advised that the extreme ultra high performance tire, N'Fera Sport R, although approved for street use, is targeted for track and competition driving.

- Driving on wet roads, heavy rain, or standing water with competition-oriented tires may cause hydroplaning and loss of control. Use extreme caution and drive slowly on wet roads.
- Competition-oriented tires should not be driven on snow or ice-covered roads. At temperatures below 40°F, tires may experience reduced traction. It is recommended that suitable all season or winter tires be installed at temperatures below 40°F.
- When exposed to temperatures below 20°F, tires may exhibit surface cracking. Never use tires that have cracked. Surface cracking due to cold temperatures is not a warrantable condition.
- Always store competition-oriented tires indoors at temperatures above 20°F. If tires have been subjected to temperatures below 20°F, they must be warmed to at least 50°F for 24 hours before using or installing. If using unheated storage, tires should be removed from the vehicle and deflated to half the normal air pressure. Before use, tires must be inspected for signs of cracking and returned to normal air pressure.

For more information or service regarding NEXEN TIRE, please contact your nearest authorized NEXEN TIRE dealer.

MINIMUM ADVERTISED PRICING POLICY [MAP]

Nexen Tire America, Inc. Minimum Advertised Pricing Policy [MAP] [Effective January 1, 2022]

I. Nexen Tire America brand ("Nexen") is synonymous with high-quality products and superior customer service and support. We are committed to maintain and protect our brand. These policies have been established to improve and protect the reputation of the Nexen brand, its resale network, and customer relationships, and give all resellers an equal ability to sell and promote the product. Nexen gives its direct dealers and associated dealers (collectively called "authorized resellers") and third-party resellers the ability to sell and promote Nexen branded products in ordinary channels of trade, but Nexen requires that all U.S. resellers of Nexen products, whether they be direct dealers, associated dealers, or third-party resellers adhere to this Minimum Advertised Pricing (MAP) policy. This policy is being implemented unilaterally by Nexen, and Nexen will not invite or accept any input into its terms, how it will be administered, or how it will be maintained. Further, this is not an agreement between Nexen and any other party, and Nexen will not ask for or accept any agreement from another party.

II. This MAP policy applies to only those Nexen branded products sold by Nexen listed in the Appendix to this MAP Policy (the "Products"), and only to the "advertising" practices of the resellers.

III. Any reseller of Nexen products may not advertise any price below that of the officially published MAP for that particular product,. Further detail on prohibited advertising is set forth in Section VI below.

IV. The Company shall not mandate the actual selling price of any Product by a reseller, and shall not issue any directive or limitation regarding maximum advertised prices. Each reseller remains free to set, independently, the actual resale price, and no employee or agent of Nexen shall be authorized to require anything to the contrary.

V. This MAP policy applies to all advertisements of Nexen products in any and all media, whether in print, online, or in an email. Without limiting the generality of the foregoing, the MAP policy includes:

a. flyers, posters, coupons, mailers, inserts, newspapers, publications, magazines, circulars, catalogs, mail order catalogs, public signage, and other print media, including advertisements and marketing by affiliates;

b. broadcasts on networks, television, and radio, including advertisements and marketing by affiliates;

c. Online and any other electronic or social media marketing, including websites that can be accessed directly through any hypertext link or by any other method which uses the hypertext transfer protocol (http); search engine advertising, broadcast e-mail newsletters, e-mail solicitations, automated response pricing e-mails, SMS or other phone/electronic text messages, search engine optimization, banners, pop-ups or pop under ads, price comparison sites, auction functions or websites, shopping websites, shopping feed and portal sites, online display advertising, or similar electronic media, including advertisements and marketing by affiliates.

d. Email and customer service interactions in response to a customer inquiry are not considered advertising.

e. This MAP policy does not apply to in-store shelf talkers and point of purchase displays such as signage, price tags, or prices written in a sample book, as long as such displays are not distributed or displayed to any customers in any digital media cross-promotions (e.g., Facebook, Instagram, or Pinterest).

VI. If the advertising method provides for or suggests a price below the minimum advertised price, such advertising violates this MAP policy. Examples of advertising methods that violate this MAP policy include, but are not limited to, the following:

a. The use of a rebate, coupon, promotion, giveaway, or incentive that reduces the advertised price below the minimum advertised price.

b. The inclusion in advertising of a fee or discounted products with a Product covered by this MAP policy if it has the effect of discounting the advertised price of the covered Product below the minimum advertised price.

c. Offering free shipping and handling of Nexen branded products violates this MAP policy if the monetary value for such offer results in the display of the price for such Product below the established minimum advertised price for such Product.

d. If pricing is displayed, any strike-through or other alteration of the established minimum advertised price is prohibited.

MINIMUM ADVERTISED PRICING POLICY [MAP]

e. The use of “click on” or “click through” button on a website, or any similar buttons or automated price quotation transmission features, to provide automatic price quotations at or below the established minimum advertised price.

f. Language such as “Click ‘Buy for Price’” or “Click ‘Add to Cart’ for Price” or “Click for Quote” if used on the same website page on which Nexen branded products are being advertised for sale.

g. Statements such as “Click here for Lower Price,” “Add to Cart for Lower Price,” or “Check Cart for Lower Price.”

VII. This MAP policy does not:

a. Prohibit responses to specific requests for price quotes by an individual customer as long as such responses are not automatic and are given in an individualized personal communication to the requesting customer.

b. Apply to the price at which goods are actually sold. Nexen resellers are free to sell the Nexen products at any price.

VIII. Intentional or repeated failures to comply with this MAP policy for Nexen products can result in sanctions being unilaterally imposed in Nexen’s sole discretion, which may include one or more of the following actions: (1) suspension and/or loss of any future product purchase discounts, rewards earned or to be earned, loyalty bonuses earned or to be earned, brand support bonuses earned or to be earned, and sales incentives; (2) suspension of shipments of products; (3) termination of the reseller’s business relationship with Nexen. Nexen will act in its own unilateral discretion should it observe a failure to comply with this MAP policy. As a standard practice Nexen usually will give – but is not obligated to give - a notice to any reseller violating the policy.

IX. Nexen reserves the right to modify or suspend this MAP policy or adjust the MAP for any product at any time. Such changes will apply equally to all resellers.

X. Nexen resellers shall provide a copy of this MAP to all of their third-party resellers, as this MAP applies to such third-party resellers as well.

XI. All questions regarding this Policy can be directed to the Nexen Tire America Compliance Team at map@nexentireusa.com.
